

EXHIBITOR PROSPECTUS

39th
Annual Conference

St. Louis, Missouri - September 30 - October 2, 2024

ASDWA is the professional Association supporting state drinking water programs in their efforts to protect public health and implement the requirements of the Safe Drinking Water Act. Our members are the 50 states, territories, the Navajo Nation, and the District of Columbia. On behalf of our members, you are invited to join state, Federal, and local water professionals who will gather at ASDWA's 39th Annual Conference to tackle the many challenges facing the water community. By contributing your knowledge and vision to the conference's program you can help us achieve our goal of protecting public health as we face an array of 21st century challenges. ASDWA solicits both oral presentations and exhibitors of products and services that are invaluable in helping us achieve our collective goals.

VISIT US ONLINE

Visit ASDWA on the web at www.asdwa.org to learn about our organization, future meetings, news updates, documents of interest, and links to other sites with drinking water information. You can also learn more about opportunities for exhibitors at www.asdwa.org/exhibitors.

WHY EXHIBIT?

This 39th Conference offers an excellent opportunity for you to connect with state drinking water program administrators. Present your products and services to the people who influence buying decisions. Increase your awareness of new and critical regulatory and legislative drinking water issues. Join us to discuss these issues with the states, EPA, and other concerned stakeholders.

EXHIBITOR PROFILE

ASDWA Conference exhibitors are public and private corporations, trade associations, and assistance providers to the water community. The focus of the exhibits includes treatment technologies, especially technologies appropriate for small systems and alternative technologies; water security technologies; and equipment such as membrane filtration, corrosion control, and disinfection. Also welcome are exhibitors that provide information and services on regulatory compliance; educational, training and assistance programs; and data management services and products.

ANNUAL CONFERENCE ATTENDANCE PROFILE

Approximately 200 attendees are expected at ASDWA's Thirty-Ninth Annual Conference in St. Louis, MO. Conference attendees will include state and territorial drinking water program administrators and their staff, government personnel from EPA and other Federal agencies, drinking water association personnel, and industry group representatives.
